

Delegation - China

Huan Fei Wen

North University of China, Professor

中北大学
NORTH UNIVERSITY OF CHINA

Huan Fei Wen received the B.S. and M.S. degrees from the North University of China, Taiyuan, China, in 2010 and 2013, respectively, and the Ph.D. degree from Osaka University, Suita, Japan, in 2017. He has presided over various ministries and commissions such as the National Natural Science Foundation Youth Science Fund project, Shanxi Province Key Research Program sub project, and Shanxi Province Applied Basic Research project. He participates as a backbone in the National Natural Science Foundation key projects, national major scientific research instrument development, and international cooperation of the National Key Research and Development Program. He has published more than 30 papers in top journals such as ACS Nano, Applied Physics Letters, Applied Surface Science, Journal of the American Chemical Society, and IEEE Transactions on Microwave Theory and Techniques. Since 2020, he has been a Professor with the North University of China. His research interests include quantum sensing and precision measurement instrument.
