

## Delegation - Poland

Rafal Walczak  
*Wroclaw University of Science and Technology, Faculty of  
Electronics, Photonics and Microsystems  
Professor, Dean of the Faculty*

Wrocław  
University  
of Science  
and Technology

Rafał Walczak, full professor at Wrocław University of Science and Technology (Poland), Dean of the Faculty of Electronics, Photonics and Microsystems, former head of Department of Microsystems is specialist in development of MEMS-based instrumentation and emerging microengineering technologies including 3D printing of MEMS. Leader of many R&D projects, involved in realization of EU pro-industrial awarded projects. Author of over 200 scientific papers, organizer and co-organizer of many conferences (including PowerMEMS in 2019, COMS in 2015, Eurosensors in 2012 and Eurosensors in 2025) meetings and workshops related to microsystems technique.
